there are millions of self help books that all promise the secret to obtaining a happy life a

successful career lots of money loving relationships a defined and firm sense of morality whatever could possibly define happiness for one person but nothing is possibly more subjective than happiness born with a deformity known as pectus excavatum sunken chest happiness eluded brad wheelis as he struggled with low self esteem perceive flaws and societal pressure to be perfect eventually he realized that he had been chasing the wrong ideal today wheelis believes that a truly happy life is impossible no one can be happy all of the time but you can strive to achieve fulfilled lives that contain both happiness and sadness by making a series of changes how your preconceived notions of fulfillment differ from realistic goals what you want to accomplish for yourself and how you can make those ideas come true making a conscious decision to transform your perceptions of both trivial and significant aspects of your life one at a time will lead you to your own kind of happiness and inner greatness the perception myth combines personal memoir with a step by step approach to happiness for anyone who is afraid or does not know how to take risks fulfillment is around the corner you just need to figure out how to reach it

making sense utilises art practice as a pro active way of thinking that helps us to make sense of the world it does this by developing an applied understanding of how we can use art as a method of healing and as a critical method of research drawing from poststructuralist philosophy psychoanalysis arts therapies and the creative processes of a range of contemporary artists the book appeals to the fields of art theory the arts therapies aesthetics and art practice whilst it opens the regenerative affects of art making to everyone it does this by proposing the agency of transformative therapeutics which defines how art helps us to make sense of the world by activating nourishing and understanding a particular world view or situation therein the purpose of the book is to question and understand how and why art has this facility and power and make the creative and healing properties of certain modes of expression widely accessible practical and useful

the author of the bestseller white mischief tells the story of the beautiful langhorne sisters who lived at the pinnacle of high and powerful society from the end of the civil war through the second world war making their way across two continents they left in their wakes rich husbands fame adoration and scandal lizzie irene nancy phyllis and nora were born in virginia to a family impoverished by the civil war their father remade his fortune by collaborating with the yankees and building rail roads the sisters became southern belles and northern debutantes james fox draws on unpublished correspondence between the sisters and their husbands lovers children and the powerful and glamorous of their day to construct a plural topography with the scope of a grand novel and the pace of a historical

thriller at its center is the most famous sister nancy who married waldorf astor one of the richest men in the world heroic hilarious magnetically charming and a bully lady astor became britain s first female mp championing women s rights and the poor the beautiful irene married charles dana gibson and was the model for the gibson girl the author s grandmother phyllis married a famous economist one of the architects of modern europe fox has written an absorbing and spirited intimate and sweeping account of extraordinary women at the highest reaches of society their adventures set against the background of a tumultuous century
